From DIRECTOR'S DESK

"It is a great pleasure and honour for me to serve as the Director of Techno India College of Technology. The College was established in 2005 under the renowned Techno India Group to provide a significant niche in the education and research of science and technology.

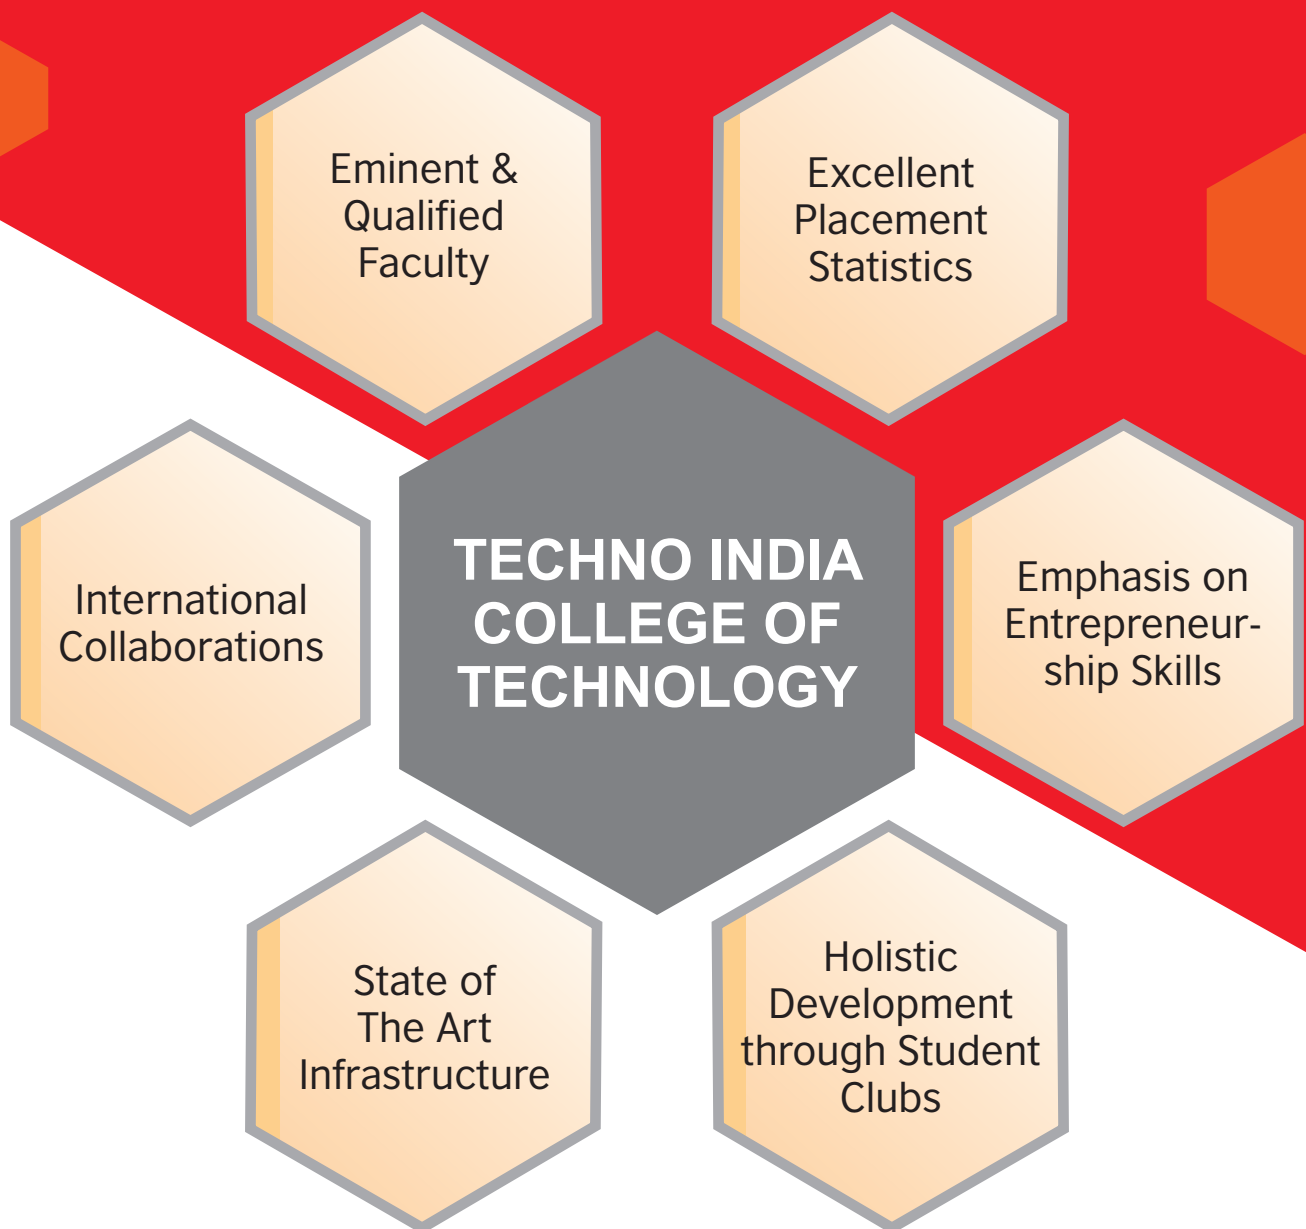

TICT is taking bold strides towards making contribution to the advancement of technology and preparing the next generation of technocrats and managers who will integrate innovation and lead the way towards sustainable growth of technological and business resources. The Institute is committed to create an ambience for nurturing innovation, creativity and excellence within its students.

We emphasise on developing leadership skills and grooming the overall personality of our students. The fine balance between academics and co-curricular activities at TICT enables the students to enjoy the college life to the fullest. We are confident that all our efforts will grow into significant levels of achievements in the larger world of academics and industry. Hopefully, our labours in all the major areas of science and technology will produce fruitful results in academic innovation, journal publications, research in the areas of technology, science and business administration.

We have almost come out of the extreme crisis posed by the pandemic COVID – 19, though we are continuing with all the COVID protocols. It gives me a great pleasure to state that the virtual teaching-learning process at our institute, during the pandemic has been conducted very efficiently and the students have been benefitted to a great extent, in the face of this adversity. The face to face interaction has commenced regarding all academic as well as co-curricular activities and by God's grace everything has returned to normalcy. The institute is steadily surging ahead to emerge as a centre of excellence and I wish it all the success."

- Dr. Radha Tamal Goswami

WHY TICT ?

ABOUT

Under the aegis of Techno India Group, one of the largest and most acclaimed knowledge management groups in Asia, Techno India College of Technology was established in 2005. The institute aims to serve the exclusive purpose of delivering quality education in science and engineering to the students and to groom them as professionals with strong values and ethics.

SOCIAL ACTIVITIES

At TICT, the students are motivated to indulge in various activities that would enrich them as human beings. They are encouraged to undertake different social and philanthropic activities like organizing blood donation camps, visit slums and under privileged areas, plant trees in open spaces, carry awareness campaigns about water borne diseases and so on. Through these, the students develop an empathy towards all human beings and learn to be an integral part of the society.

ALUMNI TALKS

I got a job offer letter from Infosys Limited through Campus Placement Drive of Techno International New Town (Formerly known as Techno India College of Technology). This would not have been possible without the help of the Training and Placement cell of our college and our department faculty members. They guided me through the years and provided a platform for me to strengthen my skills and overcome difficulties.

Ria Roy Chowdhury
2021 Passout, BCA, TICT

I feel honored to be a part of Techno International New Town. All the faculty members of our department, are very helpful. They develop our technical and professional skills as well. The Aptitude classes which conducted by the Training and Placement Cell, were very beneficial to us. I feel proud to be placed in Cognizant. I would like to thank all of our faculty members and the T&P Cell of our college for their guidance.

Megha Mitra
2021 Passout, BCA, TICT

I feel extremely happy to inform that I have got a job offer from INFOSYS. I would like to express my immense gratitude towards the respective faculties, training and Placement team of Techno International New Town (formerly known as Techno India College of Technology) for their relentless support. Without their support and guidance it wouldn't have been possible to achieve my goal. I feel proud to be a part of this institution. It has been a memorable journey of 3 years.

Sreejita Sen
2021 Passout, BCA, TICT

I hold immense pride to inform that I have been selected in WIPRO and LTI (L&T Infotech) through on campus placement drive. I would like to take a moment to thank my college for providing me a platform where I was able to develop myself in every aspect. I would also like to thank the faculties and the placement cell who have given

their best efforts to make sure that we can perform well, I feel myself lucky to be a part of this institution.

Saurav Kumar
2021 Passout, BCA, TICT

I got offer letter from LTI *L&T Infotech), Wipro and a part time job at Chegg India through Campus Placement Drive of Techno International New-town (also known as Techno India College of Technology), I am thankful to my college for

providing me a platform where I was able to hone my skills, develop my self. All of my faculties, mentor helped me a lot and supports me all the time when I need them, they motivated me to bring out the best in me.

I would Like to thank the faculties, our HOD sir, Our Mentor and Placement Cell for helping me to bring out my best.

2021 Passout, BCA, TICT

Swayam NPTEL course topper
Ria Roychowdhury, BCA, 2018- 21

Hello, myself **Soham Ganguly**. I passed BBA in the year 2020 from Techno India College of Technology (TICT). TICT provides excellent infrastructure and faculty to achieve overall development of students. The number of courses offered is huge, ranging from different engineering branches to business management. The pedagogy is unique and the faculties ensure that students are equipped with necessary knowledge and skills to face the corporate world." Soham has recently been placed in PWC and going to join the prestigious company very soon. We wish a very best of luck for his future ahead.

Soham Ganguly
2020 Passout, BBA, TICT

I am **Mayuri Islam**, former student (2021 passout) of BBA department. According to me Techno India College of Technology is one of the best colleges with good faculty members and infrastructure. The classrooms, library and laboratories are very neat and clean. The quality of education provided by the college is good. The teachers are very supportive and helpful. The education provided by the college will surely make the students job ready and it also provides good placement opportunities. The college has provided me a number of opportunities to grow and explore my skills. My overall experience was very good.

Mayuri Islam
2021 Passout, BBA, TICT

Hello, myself **Ankita Saha**. I pursued my BBA (H) from Techno India College of Technology, my passing year is 2020. I would like to thank all my respected teachers and faculty members of

BBA (H) department for their support & guidance throughout my journey of my course in TICT. They have guided me whenever I have approached them. I am blessed to be a part of Techno India Group. Currently I am pursuing MBA (Final year) from Techno India Group with Human resource as my specialization subject. I have already been placed and started working at Bandhan Bank Ltd. at HR department.
