About TINT

Techno International New Town is one of the youngest colleges of Techno India Group which started its journey in the year of 2005. The college is the logical development and the rational conclusion of the Mission and the Vision of Techno India Group, the largest among the knowledge management groups in India.

Prof. Dr. R. T. Goswami
Director, TINT

The institute has developed extensive computing facilities. The overall placement record has been encouraging and it has helped in maintaining closer relation with the corporate world. The well equipped library facilities helped the students to secure high marks in the university examination. The college always tries to maintain a harmonious balance among the various wings of the Academic sections. We provide hostel facilities to the students. The Administration respects the Human Relations Approach as the main pedestal of its administrative philosophy.

We have renowned Academicians who take active interest to improve the teaching-learning process. We have turned the institute into a temple of learning where the Industry - Academic Institute Interface finds its fulfillment.
