

# Techno International New Town

Integration of  
Excellence & Innovation

## DIRECTOR'S DESK

“It is a great pleasure and honour for me to serve as the Director of Techno International New Town. The College was established in 2005 under the renowned Techno India Group to provide a significant niche in the education and research of science and technology.

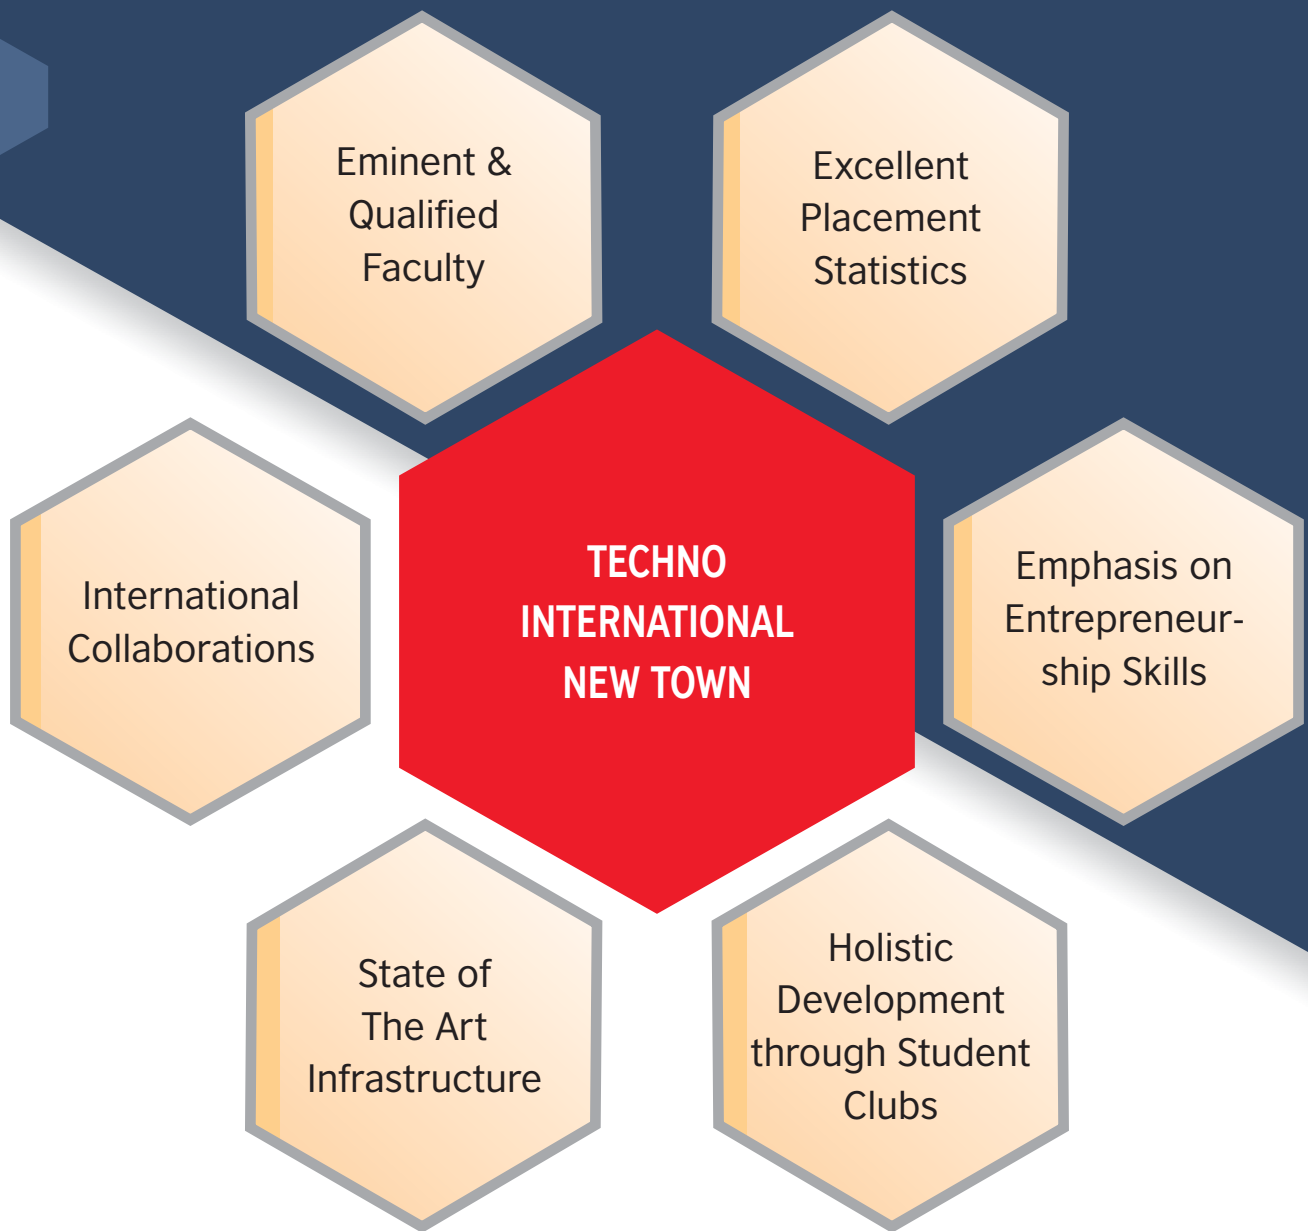

TINT is taking bold strides towards making contribution to the advancement of technology and preparing the next generation of technocrats who will integrate innovation and lead the way towards sustainable growth of technological resources. The Institute is committed to create an ambience for nurturing innovation, creativity and excellence within its students.

We emphasise on developing leadership skills and grooming the overall personality of our students. The fine balance between academics and co-curricular activities at TINT enables the students to enjoy the college life to the fullest. We are confident that all our efforts will grow into significant levels of achievements in the larger world of academics and industry. Hopefully, our labours in all the major areas of science and technology will produce fruitful results in academic innovation, journal publications, research in the areas of technology and science.

On a final note, I request all to take care of themselves and their families during this difficult time of COVID crisis. The virtual teaching-learning process since the onset of the pandemic has enabled the students to continue their education smoothly in the face of this adversity. I hope that that we will soon embark on the usual journey of academic activities and make TINT one of the centres of excellence in education.”

- Dr. Radha Tamal Goswami

## WHY TINT ?

## ABOUT

Under the aegis of Techno India Group, one of the largest and most acclaimed knowledge management groups in Asia, Techno International New Town (formerly known as Techno India College of Technology) was established in 2005. The institute aims to serve the exclusive purpose of delivering quality education in science and engineering to the students and to groom them as professionals with strong values and ethics.

Located at the Tech Hub of Kolkata

4 Star Awarded Remote Centre of  
IIT-B and IIT-KGP under NME Program of  
MHRD, Govt. of India

## FACILITIES

### Smart Classrooms

2.57 Acre of Campus, Playgrounds, CCTV Surveillance

### Wi-Fi Enabled Campus

2.57 Acre of Campus, Playgrounds, CCTV Surveillance

### Library with Remote Access

Text, Reference Books, Journals, Magazine

### Auditorium

Seminar Rooms, Language Labs, Best Audio/Visual lab

### Canteen & Cafeteria

Separate Hostels,  
Water Plants, Solar Power

## PROFESSIONAL STUDENT BODIES

## SOCIAL ACTIVITIES

At TINT, the students are motivated to indulge in various activities that would enrich them as human beings. They are encouraged to undertake different social and philanthropic activities like organizing blood donation camps, visit slums and under privileged areas, plant trees in open spaces, carry awareness campaigns about water borne diseases and so on. Through these, the students develop an empathy towards all human beings and learn to be an integral part of the society.

# ALUMNI SPEAKS

## Techno International New Town

BLOCK - DG 1/1, ACTION AREA 1, NEW TOWN, RAJARHAT, KOLKATA - 700156

### Department of Computer Science & Engineering

### My Triumph

I am eternally grateful to the department of Computer Science and Engineering of TINT for their guidance and assistance till date. Due to their support and motivation I was able to crack the campus placement and get placed into "Virtusa". I am extremely thankful to the Training and Placement Department for providing me with these opportunity to sit in the campus hiring process as well as for organizing several pre-placement classes, aptitude and coding tests on regular basis that helped in improving myself to a large extent. Thank you for everything.

**SAMBHAVI KASHYAP**

2017 - 2021  
**Virtusa**

## TECHNO INTERNATIONAL NEW TOWN

### DEPARTMENT OF INFORMATION TECHNOLOGY

"I am very thankful to our placement cell and concerned teachers for their constant support and inspiration which kept me motivated throughout the entire drive. Once again, I am feeling proud to be a part of Techno International New Town which helped me in brightening my career."

**Chandrika Mondal , IT 2021 PASSOUT**

#success-stories

## Success Story

I would like to thank my parents, professors, and fellow friends for my success. Besides my Electronics and Instrumentation studies, my teachers and mentors guide me for the practical experience of the industry.

In my college studies, I have gained so much knowledge on advanced Electronics and enhanced my skills in coding in several languages, which leads me to successful project completion, paper presentation. The training and placement cell helps us to enhance our skills in aptitude and coding.

I feel very proud to be in MNC like TCS. With the effort of both me and TINT, leads me to a successful career opportunity.

**Aniket Maity**  
2021 Pass Out, AEIE, TINT

## ALUMNI SPEAKS

### Techno International New Town Mechanical Engineering Department

## SUCCESS STORY

At the Department of Mechanical Engineering in TINT, I gained exposure to various industry experts through various events and seminars, throughout my time here. I had the good fortune to have learned from some of the most experienced and talented people. The departmental faculty members have been supportive at every step of the way, helping me learn inside and outside the classroom and helped me develop a wide array of skill sets. Thanks, TINT, for providing me a wonderful atmosphere for spending the best 4 years of my life.

**!!! Success Story!!!**

The entire 4 years of my B.Tech in TINT has been absolutely amazing. I'm extremely grateful to my department, ECE, for constantly supporting and motivating me. Their dedication and hardwork has helped me a lot, to get placed in a such a reputed company. I'm equally grateful to our Training & Placement Cell. I owe my success to each and everyone of them. Thank You!!!

**Tanmoy Das**  
**(2015-19)**

**MBA in IIT Madras**

**Journey from TINT to IIT**

I feel proud to say that as an individual my intellectual and social simulation has begun from the department of electrical engineering of Techno International Newtown. Myself Tanmoy Das thank to my teachers and the department of electrical engineering for shaping my life. I cherish the feeling of studying in such a disciplined department which focus not only on carrier development but also overall skill development which seamless mix of academics and extra curricular activities. I am grateful to my dedicated professors who are not only experts in the respective subjects but also talented committed and genuinely caring as a mentor.

## TECHNO INTERNATIONAL NEWTOWN

### 66 MY SUCCESS STORY

I am Arindam Mukherjee, a student of **Civil Engineering** in Techno International Newtown. I have been offered a job from the **Tata consultancy service (TCS)**. I am really thankful to my college for supporting me in this four years journey of mine. Even though I am from a non-IT background, college has provided me all the necessary assistance to secure a job in this prestigious organization. Also during this lock down period college has developed a new website for the students to easily access the online lectures, lecture notes and also submit the assignments on time, which was really a boon to us students. Thank You Techno International Newtown.
