

## Analysis of Alumni Feedback (AY 2021-2022)

Alumni feedback on the curriculum and academic environment was systematically gathered to gain intuition into the effectiveness and impact of the educational programs offered by the institution. A rigorous effort was made to reach out to alumni representing various departments and graduating batches, ensuring a diverse range of perspectives and experiences were captured.

A meticulously designed questionnaire comprising 9 statements was utilized to solicit feedback from alumni, covering a spectrum of aspects related to the curriculum and academic ambience. Alumni were provided with a 5-point Likert Scale to express their level of agreement with each statement, ranging from 1 (Strongly Disagree) to 5 (Strongly Agree), with a neutral option at 3 for capturing neutral responses. A total of 309 alumni from various departments and graduating batches participated in this process.

The primary objective of this feedback initiative was to assess the long-term impact of the educational programs on alumni career trajectories, professional growth, and overall satisfaction with their academic experiences. By engaging with alumni, the institution aimed to gain insights into the strengths and areas for improvement within the curriculum and academic environment. The diverse range of responses from alumni provided valuable insights into the relevance of the curriculum, the quality of academic instruction, and the preparation received for their respective fields. The composition of Alumni from different Departments and Batches who responded was as follows:

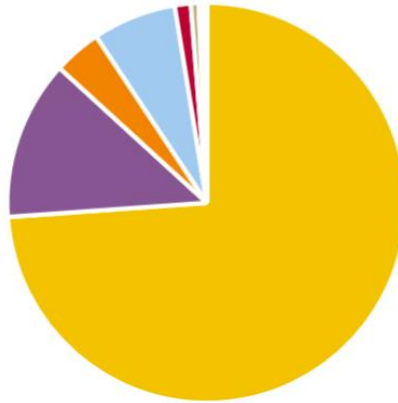

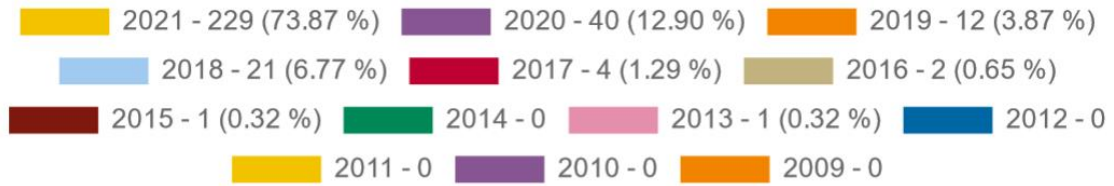

# TECHNO INTERNATIONAL NEW TOWN

(Formerly known as Techno India College of Technology)

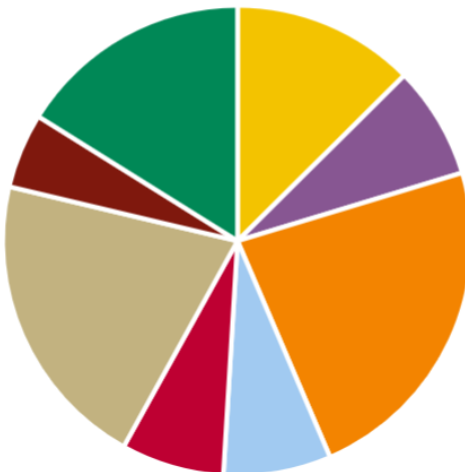

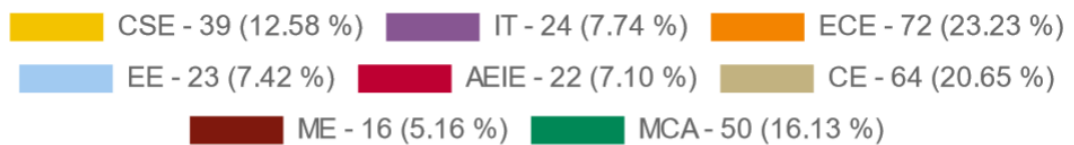

Block - DG 1/1, Action Area 1, New Town, Kolkata - 700156, West Bengal, India
