Minutes of the Departmental Academic Committee Meeting

The Department of CSE has collected the feedback on curriculum enrichment from various stakeholders for the AY 2018-2019. The consolidated report has been summarized and analysed by the department. A meeting was held in the HoD's office on 6th June 2019 at 3:00 pm to discuss the actions taken in response to the feedback received. The meeting was attended by the following members:

1. Prof. Swagata Paul
2. Prof. Bikash Sadhukhan
3. Prof. Arghya Das
4. Prof. Nabanita Das
5. Prof. Amal Saha

Based on the analysis of feedback received from various stakeholders the following actions have been taken in revision of curriculum.

1. More experiments have been introduced in fundamental laboratory courses like, Design and Analysis of Algorithm, Operating System, Computer Network etc.
2. 30-hour domain knowledge training program on Python Programming has been planned for 2nd Year students.
3. 30-hour domain knowledge training program on Web Development using PHP & MySQL has been planned for 3rd Year students.
4. Seminars and workshops have been conducted to bridge the gap between Academia and Industry
5. In coordination with Training and Placement cell of the Institute, Mock tests, Interviews were conducted to prepare our students for facing interviews and various examination patterns.
