Minutes of the Departmental Academic Committee Meeting and Action Taken Report

(AY– 2020-21)

The department has collected the feedback on curriculum enrichment from various stake holders for the AY -2020-21. The consolidated report has been summarized and analysed by the department. A meeting is held in the HoD's office on 22.07.21. at 4.30 pm to discuss the actions taken in response to the feedback received. The meeting was attended by the following members:

1. Prof. (Dr.) Mala Mitra
2. Prof. (Dr.) Sayantika Bose Chakraborty
3. Prof. (Dr.) Anwesha Dutta Ain
4. Prof. (Dr.) Kakali Ghosh
5. Prof. (Dr.) Arpita Chattopadhyay

Based on the analysis of feedback received from various stake holders the following actions have been taken in revision of curriculum.

1. Additional classes for improving communication skills in English beyond the MAKAUT curriculum have been organised.
2. One hour class per week for all students from 1st year to 2nd year and 2-hour classes per week for all students in 3rd year have been allotted for soft skill training and communication skills.
3. In order to bridge the gap between theoretical training and practical execution in the recruitment drives, it has been resolved that a number of mock interview and mock GD sessions will be organised for the students in the pre-final year.
4. Additional mathematics classes on Problem Solving Techniques have been incorporated for students.
5. Mathematics GATE preparatory classes for 3rd and 4th year students.
6. The faculty members of the chemistry dedicate extra time and effort to help students to grasp the real-life applications of Chemistry.
7. To make the students familiar with the use of online tools and various simulation platforms to learn Physics during the time of Covid.
