## **Minutes of the Departmental Academic Committee Meeting and Action Taken Report**

### **(AY- 2021-22)**

The department has collected the feedback on curriculum enrichment from various stake holders for the AY -2021-22. The consolidated report has been summarized and analysed by the department. A meeting is held in the HoD's office on 22.06.22 at 3.00 pm to discuss the actions taken in response to the feedback received. The meeting was attended by the following members:

1. Prof. (Dr.) Kakali Ghosh
2. Prof. (Dr.) Sayantika Bose Chakraborty
3. Prof. (Dr.) Anwesha Dutta Ain
4. Prof. (Dr.) Papiya Debnath
5. Prof. (Dr.) Arpita Chattopadhyay
6. Prof. Barnali Dutta Roy
7. Prof. Taposi chatterjee

Based on the analysis of feedback received from various stake holders the following actions have been taken in revision of curriculum.

1. Special classes for enhancing programming and soft skills
2. Emphasis on NPTEL and other MOOCs courses
3. GATE preparatory courses are strongly encouraged
4. PPT presentation and report writing skills of the students are encouraged to develop through various curricular and co-curricular activities like regular seminar, project and mini project presentation etc
5. Additional mathematics classes on Problem Solving Techniques have been incorporated for students.
6. Mathematics GATE preparatory classes for 3rd and 4th year students.
7. The faculty members of the chemistry dedicate extra time and effort to help students to grasp the real-life applications of Chemistry.
8. To encourage the knowledge transfer between theory and application, the Department of Basic Science and Humanities organises the Science and Linguistic exhibition- Scintilla.
9. Different chemistry projects foster teamwork and prepare students for real-world challenges by applying theoretical knowledge to practical situations.
10. Demonstrate a scientific and technical competence for investigating and applying the relationships of Physics phenomena with the surrounding world.
