## **Minutes of the Departmental Academic Committee Meeting and Action Taken Report**

**(AY -2021-22)**

The department has collected the feedback on curriculum enrichment from various stake holders for the AY -2021-22. The consolidated report has been summarized and analysed by the department. A meeting is held in the HoD's office on 15/07/2022 at 3 p.m. to discuss the actions taken in response to the feedback received. The meeting was attended by the following members:

1. Prof.(Dr.) Manabendra Maiti
2. Prof.(Dr.) Pradip Kumar Ghosh
3. Prof.(Dr.) Subhankar Bhattacharjee
4. Prof. Ardhendu Shekhar Biswas
5. Prof. Md Anwarul Islam

Based on the analysis of feedback received from various stake holders the following actions have been taken in revision of curriculum.

1. Industry oriented Machine Learning with Python coding courses are provided to train the students to make them ready for instant industry absorption.
2. The coding contests are arranged several times throughout the course from the T&P cell and under the guidance of Coding Club of the institute to give exposure to the world of coding at par the industry practice.
3. Soft skill development courses are provided time to time in the curriculum and in the form of seminars, workshops etc.
4. PPT presentation and group discussion skills of the students are encouraged to develop through various curricular and co-curricular activities like regular seminar, project and mini project presentation etc.
