Date: 20/06/2023

Minutes of the Departmental Academic Committee Meeting and Action Taken Report

(AY-2022-23)

The department has collected the feedback on curriculum enrichment from various stake holders for the AY -2022-23. The consolidated report has been summarized and analysed by the department. A meeting is held in the HoD's office on 16.06.22 at 2.30 pm to discuss the actions taken in response to the feedback received. The meeting was attended by the following members:

- 1. Prof. (Dr.) Kakali Ghosh
- 2. Prof. (Dr.) Sayantika Bose Chakraborty
- 3. Prof. (Dr.) Anwesha Dutta Ain
- 4. Prof. (Dr.) Amalendu Singha Mahapatra
- 5. Prof. (Dr.) Papiya Debnath
- 6. Prof. (Dr.) Arpita Chattopadhyay
- 7. Prof. Barnali Dutta Roy

Based on the analysis of feedback received from various stake holders the following actions have been taken

- 1. Dedicated sessions have been implemented to enhance soft skills among students.
- 2. There is a strong emphasis on NPTEL and other MOOCs courses to supplement conventional learning and expand students' educational opportunities.
- 3. GATE preparatory courses are highly encouraged.
- 4. The curriculum places significant focus on placement training, particularly in Aptitude Skills and Verbal Ability, to enhance students' readiness for recruitment processes.
- 5. Additional classes have been organized to improve students' English communication skills beyond the MAKAUT curriculum.
- 6. Mathematics GATE preparatory classes for 3rd and 4th year students.
- 7. The faculty members of the chemistry dedicate extra time and effort to help students to grasp the real-life applications of Chemistry.
- 8. Through Scintilla, Science and Linguistic exhibition chemistry faculty members enhances their understanding of the subject matter, promotes critical thinking and problem-solving skills, and provides practical experience.
- 9. Different chemistry projects foster teamwork and prepare students for real-world challenges by applying theoretical knowledge to practical situations.
- 10. To encourage the knowledge transfer between theory and application, the Department of Basic Science and Humanities organises the Science and Linguistic exhibition- Scintilla.
- 11. Extra care was taken by the faculty members of Physics to rectify the lacuna in knowledge and understanding of the students developed during the covid time.
