Minutes of the Departmental Academic Committee Meeting and Action Taken Report (AY – 2022-2023)

The department has collected feedback from various stakeholders for the AY -2022-2023. The consolidated report has been summarized and analyzed by the department. A meeting was held in the HoD's office on 06.07.2023 at 3:00pm to discuss the actions taken in response to the feedback received. The meeting was attended by the following members:

1. Prof. Swagata Paul
2. Prof. Bikash Sadhukhan
3. Prof. Arghya Kusum Das
4. Prof. Nabanita Das
5. Prof. Sanjoy Chakraborty

Based on the analysis of feedback received from various stakeholders the following actions have been taken.

1. Upgraded laboratory equipment and software to ensure students have access to the latest technology, addressing the concerns raised by both students and faculty.
2. Introduced additional tutoring sessions and mentoring programs to support students who need extra help, as indicated by the feedback from students.
3. Inclusion of more practical examples and case studies, as suggested by students and industry partners.
4. Implemented more interactive teaching methods such as flipped classrooms and group projects to enhance student engagement and learning outcomes.
5. Increased opportunities for undergraduate research by facilitating more student participation in faculty-led research projects and securing funding for student research initiatives.
6. Encouraged students to participate in technical workshops, hackathons, and coding competitions to provide hands-on experience and practical skills.
